SOFTWARE DEVELOPER

## ABOUT

I am a software developer with a Bachelor degree in Information Technology from the Pearson Institute of Technology, formerly known as CTI Education Group.

As a person of individuality, I am deadline and results driven with the ability to prioritize and plan. I am independent, proactive and a fast apprentice. I am patient and kind, yet firm—possessing excellent written and verbal communication skills. I take pride in my own achievements and the achievements of others. Commensurately, I am a team player and I strongly believe in diversity and respect for all individuals..
